IOLMaster to FORUM Data Transfer
FORUM Quick Reference Guide

CAUTION: Refer to the User Manual for warnings, safety information, labeling, and detailed operating instructions. This Reference Guide is only a complement to the User Manual.

1 On the IOLMaster®, go to the **Patient** drop down menu and click **Query Waiting Room**. (Figure 1)

2 The first patient of the day will open the Worklist. Click on the **Broad Query** tab. (Figure 2)

3 Enter today's date. Under **Modality** enter OAM and click **Execute**. (Figure 3) IOLMaster will remember the tab selection, OAM and date until the unit is turned off.

4 Highlight the patient from the list and click **OK**.

5 Proceed with exam.

6 Click the computer icon to transmit the report to FORUM®. (Figure 4) This is a multiple page report. Use the center arrows in FORUM to scroll through the report.

For prior tests, perform Steps 4 - 6 only.
